

Final-Stage GCSE English Language Interventions (Online)

Exam-focused teaching designed to reduce uncertainty and stabilise borderline performance.

AQA English Language only. Live online delivery (students can join from home or from school).

Who it's for

- Year 11 students not yet secure at Grade 4 / 5
- Students who “know it” but don’t convert it under exam conditions
- Schools needing rapid support without increasing staff workload

This is not a catch-up course - this is exam craft + rehearsal to improve performance in the time available.
